

## PERSONAL INFORMATION

## Francesco Cerritelli

 Via Majano, 9 – 66100 Chieti - Italia

  +39 339 4332801

 francesco.cerritelli@gmail.com

 [www.comecollaboration.org](http://www.comecollaboration.org)

C.F. CRR FNC 80 S 12 C632P

Sex M | Date of birth 12/11/1980 | Nationality Italian

## POSITION

President C.O.ME. COLLABORATION – ONLUS Foundation  
PhD student in neuroscience and imaging – University of Chieti (Italy)

## WORK EXPERIENCE

2014 - today

**President**

Centre for Osteopathic Medicine (C.O.ME.) COLLABORATION – ONLUS Foundation

**Business or sector** Complementary and alternative medicine

2014 - today

**Reviewer**

European Commission – Horizon 2020 program

**Business or sector** Call evaluation

2013 - 2014

**Visiting - Research fellow**

Neurological clinical unit – Biomedical sciences and neuromotor department - Alma Mater Studiorum - University of Boulogne

**Business or sector** Neurophysiology of Autonomic Nervous system

2011 - 2012

**Visiting Professor / Lecturer**

Cranial-sacrum techniques: ICOM - International College of Osteopathic Medicine – Milan, Italy

**Business or sector** Cranial osteopathy

2011 – today

**Scientific reviewer**

- Cochrane  
- Journal of Neurology Neurosurgery and Psychiatry  
- Paediatrics  
- Plos one  
- International Journal of Osteopathic Medicine  
- Journal of American Osteopathic Association

**Business or sector** Medics

2011 – 2013

**Visiting Professor**

University of l'Aquila - Italia

**Business or sector** Master “osteopathy and dentistry”

- 2009 - 2014 **President**  
European Institute for Evidence Based Osteopathic Medicine ([www.ebom.it](http://www.ebom.it))  
**Business or sector** Complementary and alternative medicine
- 2009 - today **Director**  
Research department - Accademia Italiana Osteopatia Tradizionale ([www.aiot.edu](http://www.aiot.edu))  
**Business or sector** Complementary and alternative medicine
- 2007 - today **Lecturer**  
Accademia Italiana Osteopatia Tradizionale ([www.aiot.edu](http://www.aiot.edu))  
- Neuroscience  
- Osteopathic clinical evaluation and technique  
- Materia medica osteopatica  
**Business or sector** Complementary and alternative medicine
- 2007 - oggi **Osteopath private practice**  
Corso Europa, 29 – 66054 Vasto – Chieti - Italia  
**Business or sector** Complementary and alternative medicine
- 2004 - 2006 **Research fellow**  
Cardiovascular Research Project  
San Valentino, Chieti, ITALY  
**Business or sector** Cardiovascolare

## EDUCATION AND TRAINING

---

- 2014 - today **Doctorate in neuroscience and imaging**  
Department of neuroscience and imaging – University of Chieti
- 2014 **How to structure a proposal in Horizon 2020**  
APRE - Agenzia per la Promozione della Ricerca in Europa
- 2014 **Autonomic neurological diseases**  
Cortelli P & Lodi R. - Pescara, Italy
- 2006 - 2012 **Seminars of functional anatomy**  
Willard F - Louvain la Neuve. Belgium
- 2012 **Team coaching certificate**  
The Results coaching system - London –United Kingdom
- 2012 **Coaching certificate**  
The Results coaching system - London - United Kingdom
- 2011 - 2012 **Cochrane training (RA 1-2-3-4)**  
UK Cochrane centre. Oxford. United Kingdom

- 2010 - 2011 **Master Public Health**  
Imperial College London – London - United Kindom
- 2002 - 2008 **Diploma of Osteopathy**  
Accademia Italiana Osteopatia Tradizionale – Pescara - Italy
- 2002 - 2004 **Master's Degree in Preventive and Adapted Physical Activity**  
University of l'Aquila - Italy
- 1999 - 2002 **Bachelor's degree in Movement Sciences**  
University of l'Aquila - Italy
- 1994 - 1999 **High school degree in Science**  
Liceo Scientifico Statale "F. Masci" – Chieti - Italy

PERSONAL SKILLS

Mother tongue Italian

Other language

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C2
IELTS					

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user  
Common European Framework of Reference for Languages

Communication skills ▪ Good communication skills learnt through several courses of personal coaching and team coaching

Organisational / managerial skills leadership (currently responsible of a team of 7 people)

Job-related skills ▪ good command of quality control processes

Computer skills ▪ Good command of Microsoft Office, LINUX, WINDOWS9\*/NT 4.0/XP, MAC System 10.x  
▪ Good command of Access e MySQL  
▪ Good command of data analysis, data management and data processing using R – STATA - SPSS

Driving licence A/B

ADDITIONAL INFORMATION

Publications Author of several papers published on peer-reviewed journals and more than 50 conference proceedings.  
▪ PubMed: <http://www.ncbi.nlm.nih.gov/pubmed/?term=cerritelli+f%5BAuthor%5D>  
▪ Scholar Google: <https://scholar.google.co.uk/citations?user=HCmFu1gAAAAJ&hl=it>

## Presentations

Speaker at several national and international conferences hereby reported (main)

**Neurology**

- Cerritelli F., Accorsi A, Lucci C, Di mattia M, Granchelli C, Balafante G, Fini F, Pizzolorusso G, Pincherle M. Effect of osteopathic manipulative therapy in the attentive performance of children with attention-deficit/ hyperactivity disorder. XLV SIN. Cagliari 11-14 October 2014.
- Cerritelli F. Effect of osteopathic manipulative treatment on variations of HF parameter of HRV in healthy subjects compared to sham therapy and control group: RCT. Joint Conference of European Neurology. Istanbul, Turkey - 31 May - 3 June 2014.
- Cerritelli F. Effect of osteopathic manipulative treatment on health and on risk of depression in chronic LBP patients: results from the esoqolio trial. World Congress on Low Back Pain 2013, Dubai, EAU - October 27-30, 2013.
- Cerritelli F. Hearth rate variability modifications associated with osteopathic procedures. IORC 2013. 27-29 September 2013. Pescara - Italy
- Cerritelli F, Ginevri LR, Messi G, Renzetti V, Cozzolino V, Barlafante G, Foschi N. Effectiveness of osteopathic manipulative treatment in migraine: three-armed randomized controlled trial. XXI World Congress of Neurology. Vienna, Austria - 21-26 September, 2013.
- Cerritelli F, Ginevri LR, Messi G, Renzetti C, Cozzolino V, Barlafante G and Foschi N. Effectiveness of osteopathic manipulative treatment in migraine: 3-armed RCT. 23rd meeting of the European Neurological Society. Barcelona, Spain 7-11 June, 2013.

**Paediatrics**

- Cerritelli F, Pizzolorusso G, Renzetti C, Cozzolino V, D'Orazio M, Lupacchini MC, Marinelli B, Accorsi A, Lucci C, Lancellotti J, Ballabio S, Castelli C, Molteni D, Besana R, Tubaldi L, Perri FP, Fusilli P, D'Incecco C, Barlafante G. A multicenter, randomized, controlled trial of osteopathic manipulative treatment on preterm infants. The 5th Congress of the European Academy of Paediatric Societies - EAPS. Barcelona, Spain - October 17-20, 2014
- Accorsi A, Lucci C, Pizzolorusso G, Barlafante G, Tubaldi L, Perri FP, Cerritelli F. NEonatology-Osteopathy (NE-O) study: RCT on the effect of osteopathic manipulative treatment on LOS The 4th Congress of the European Academy of Paediatric Societies - EAPS. Istanbul, Turkey - October 5-9, 2012
- Cerritelli F, Barlafante G, Renzetti C, Ricci F, Loprete N, Pizzolorusso G, Verzella M, Cardinali L, Cozzolino V, Fusilli P, D'Incecco C. Is the placebo effect revealable in newborns? Results from an RCT in osteopathy. The 4th Congress of the European Academy of Paediatric Societies - EAPS. Istanbul, Turkey - October 5-9, 2012
- Barlafante G., Cerritelli F, La Mola E., Ciardelli F., Cozzolino V., Pizzolorusso G., Cardinali L, Fusilli P., D'Incecco C. Effetto del trattamento manuale osteopatico (OMT) sulla durata di degenza e sull'incremento ponderale in una popolazione di neonati prematuri. 68 Congresso Nazionale Societa Italiana Pediatrica, 9-11 May 2012. Rome, Italy
- Cerritelli F, Barlafante G, Renzetti C, Ricci F, Loprete N, Pizzolorusso G, Verzella M, Cardinali L, Fusilli P, D'Incecco C. Esiste un effetto placebo nei neonati? Risultati di un RCT con utilizzo di trattamento sham osteopatico. 68 Congresso Nazionale Societa Italiana Pediatrica, 9-11 May 2012. Rome, Italy

**Cardiovascular**

- Cerritelli F. Osteopathic manipulation as a complementary treatment for the prevention of cardiac complications: 12-Months follow-up of intima media and blood pressure on a cohort affected by hypertension. EPS Global Chongqing International Heart Congress 22-23 April 2011. Chongqing, China.

**Osteopathy**

- Cerritelli F. Multicenter, randomised, controlled trial of osteopathic manipulative treatment on pre-term infants. International Conference on Advances in Osteopathic Research – ICAOR 10. 7-9 November 2014
- Cerritelli F. Mainland European Perspective. OIA. Osteopathy: A Global Presence. London, UK. 3-5 October 2014.
- Cerritelli F. From obstetrics to geriatrics: insights from a research history in osteopathy. Science friday talk series guest speaker. Kansas City University of Medicine and Bioscience. Kansas city, MO, USA. 12 May 2014
- Cerritelli F. Effectiveness of OMT in hospital settings. A.T. Still University, Kirksville, MO, USA. 8 May 2014
- Cerritelli F. Clinical effectiveness of Osteopathic Manipulative Treatment versus sham therapy and usual care in chronic migraine: 3 armed RCT. IORC 2013. 27-29 September 2013. Pescara - Italy
- Cerritelli F. Heart rate variability modifications associated with osteopathic procedures. IORC 2013. 27-29 September 2013. Pescara - Italy
- Cerritelli F. The effects of osteopathic manipulative treatment on cardiac function in patients with hypertension. Osteopatia Illas Jomadas Lusofonas. Lisbon - Portugal, May 3, 2013.
- Cerritelli F. Osteopathy and Neonatology: The NE-O study. AOA Research Conference. 7-9 October 2012. San Diego, California, USA
- Cerritelli F. Is Osteopathic Manipulative Treatment effective in migraine? ICAOR-9. 14-16 September 2012. London, UK
- Cerritelli F. The Effects of OMT on Cardiac Function in Patients with Hypertension. AOA Research Conference. 30 October - 1 November 2011. Orlando, Florida, USA.
- Cerritelli F. Effect of OMT on reducing length of stay in a population of pre-term infants: an RCT study. The Sixth International Symposium on Advances in Osteopathic Research. 1 October 2011. Potsdam, Germany.
- Cerritelli F. Effect of OMT on reducing length of stay in a population of pre-term infants: an RCT study. Osteopathy Open 2011. 10-12 June 2011. St. Petersburg, Russia
- Cerritelli F. Impact of OMT on reducing length of stay in a population of preterm infants. 1as jornadas lusofonas osteopatia e saude. Lisbon, Portugal. November 2010
- Cerritelli F. Somatic dysfunctions in newborns: prevalence and correlation inter-operator. 1as jornadas lusofonas osteopatia e saude. Lisbon, Portugal. November 2010
- Cerritelli F. Effect of OMT on reducing length of stay in a population of pre-term infants: an RCT study. Israeli osteopathy open 2010 "Perinatality", Jerusalem, Israel July 2010.
- Cerritelli F. Impact of OMT on reducing length of stay in a population of preterm infants. 8th International Conference on Advance in Osteopathic Research (ICAOR-8). Milan, Italy. 2010
- Cerritelli F. Somatic dysfunctions in newborns: prevalence and correlation inter-operator. 8th International Conference on Advance in Osteopathic Research (ICAOR-8). Milan, Italy. 2010
- Cerritelli, F. Effect of osteopathic manipulative treatment in essential hypertension. Fifth International Symposium on Advances in Osteopathic Research. Schlangenbad, Germany. 2008
- Cerritelli F. Approccio integrato nella persona disabile: osteopatia per una migliore qualità della vita. Meeting internazionale Progetto COMENIUS "Pensami adulto". Vasto, Italy 2008

**Integrated/complementary medicine**

- Cerritelli F. Is the placebo effect revealable in newborns? Results from an RCT in osteopathy. 5th European Congress for Integrative Medicine (ECIM 2012). 21-22 September 2012. Florence, Italy
- Cerritelli F. Is Osteopathic Manipulative Treatment effective in migraine? 5th European Congress for Integrative Medicine (ECIM 2012). 21-22 September 2012. Florence, Italy
- Cerritelli F. NEonatology and Osteopathy (NEO) study: effect of OMT on preterms' length of stay. Integrative Medicine and Health. 15-18 May 2012. Portland, Oregon, USA.

## Projects

List of the main projects to date:

Principal investigator

- The effect of OMT on interoception: an fMRI study
- A multicentric RCT on the effectiveness of OMT on preterm infants. Trial including 700 preterm newborns
- Effectiveness of OMT on pain perception in newborns: 3-armed RCT

Co-investigator

- the NEMO project. European-based multi-sites multi-disciplinary project looking at the neurological mechanisms of osteopathy

## Conferences

Organiser and president of the scientific committee of 3 international conferences:

- Biological Mechanisms of Osteopathy - BIOMECH'O Conference. [www.biomecho.org](http://www.biomecho.org). 26-28 Settembre 2014. Rome, Italy
- International Osteopathic Research Conference: Neurological Aspects of Osteopathic Medicine. [www.iorc.it](http://www.iorc.it). 27-29 September 2013. Chieti, Italy.
- International Congress of Osteopathic Medicine - towards an integrated medicine. [www.osteopatia2011.it](http://www.osteopatia2011.it) 6-9 April 2011. Florence, Italy

## Seminars

Invited lecturer at several scientific and clinical osteopathic seminars (brief summary below):

- Cerritelli F. The osteopathic approach in preterm infants: practical guidelines. Workshop, Osteopathy Open 2011. 10-12 June 2011. St. Petersburg, Russia
- Cerritelli F, Cozzolino V. The osteopathic approach in preterm infants: practical guidelines. Workshop, Israeli Osteopathy open 2010 "Perinatalità", Jerusalem, Israel, July 2010.
- Carinci F, Cerritelli F, Gualdi S, Barlafante G, Pizzolorusso G. Principi della ricerca e applicazione in ambito osteopatico: 2<sup>a</sup> parte [Research principles and application on osteopathic field: 2nd part]. Corso di formazione ROI. 28-30 January 2010, Pescara, Italy.
- Carinci F, Cerritelli F, Gualdi S, Barlafante G, Pizzolorusso G. Principi della ricerca e applicazione in ambito osteopatico: 1<sup>a</sup> parte [Research principles and application on osteopathic field: 1st part]. Corso di formazione ROI. 10-12 December 2009, Pescara, Italy

## Honours and awards

- Established researcher award. International Conference on Advancing in Osteopathic Research (ICAOR-10), 2014.
- JOA editorial reward, AOA Research Conference, San Diego, California, USA, 2012. Clinical relevant research: Cerritelli F, Barlafante G, Renzetti C, Ricci F, Loprete N, Pizzolorusso G, Fusilli P, D'Incecco C. Is the placebo effect revealable in newborns? Results from an RCT in osteopathy.
- JOA editorial reward, AOA Research Conference, San Diego, California, USA, 2012. Clinical relevant research: Accorsi A, Lucci C, Pizzolorusso G, Barlafante G, Tubaldi L, Perri FP, Cerritelli F. NEonatology-Osteopathy (NE-O) study: RCT on the effect of osteopathic manipulative treatment on LOS.
- JOA editorial reward, AOA Research Conference, Orlando, Florida, USA, 2011. Clinical relevant research: Accorsi A, Di Mattia L, Granchelli C, Lucci C, Pizzolorusso G, Cozzolino V, Barlafante G, Cerritelli F. A possible contribution of osteopathic medicine in the management of children affected by ADD/ADHD.
- New researcher. International Conference on Advancing in Osteopathic Research (ICAOR-8), 2010.
- Best Poster: Impatto del trattamento manipolativo osteopatico (OMT) sulla durata di degenza in una popolazione di neonati prematuri. [Impact of OMT on length of stay in a population of prematures] "Osteopatia: Ricerca e Futuro". 2° Congresso Nazionale di Medicina Osteopatica, la medicina incontra l'osteopatia: verso una "Medicina Sistemica". 2010

## Memberships

Member of: International Society for Autonomic Neuroscience, International Society of Quality of Life (ISOQOL), World Osteopathic Health Organization (WOHO), International Osteopathic Research Network, SIPNEI, ROI

ANNEXES

---

Documents annexed to the CV:

- research publications
- Full list of congress participations

Chieti, li 06/05/15
